About Us

Established in 1995 in Edmonton Alberta, Solutions Business Interiors (SBI) has grown into one of the most respected contract furniture dealers in Canada with an unmatched breadth of specialized interior products for clients across Canada.

As a full-service dealer of quality commercial furniture and architectural interiors. Solutions is proud to represent many top-quality interiors and furniture suppliers in North America.

Our access to a variety of high quality and reputable products ensures that we can support the widest range of our clients' needs and budgets.

SBI is a subsidiary of Solutions Group of Companies (SGC).

Creating spaces that work

Reception & Lounge

Receptions are flexible and inspiring, so people can gather, connect, and restore. They span the spectrum—from calming to energetic, concentration to celebration, indoors or outside. They set you apart from the crowd—to recruit and retain the best employees and put customers at ease.

Private Offices

The nature of work changes at an exceedingly fast pace, producing new business challenges that affect where and how people work. These issues ultimately impact your business drivers, culture, and workplace design. Solutions offers premier private office and collaborative space collections. Our adaptable solutions respond to your client's brand, culture, workstyle, and space efficiency needs, leading to organizational success.

C-SUITE

Boardrooms

From formal meetings to casual gatherings—large or small— Our conference tables support today's meeting needs. The wide range of top shapes, sizes, and bases foster well-being through comfortable solutions that are easy to specify.

SOCIAL SPACES

Mental health and wellbeing have become an important topic within organizations. Now more than ever, organizations should create safe social spaces to avoid mental fatigue and encourage recharging.

Open Office

With business needs and workplace trends constantly evolving, organizations need spaces that can easily adapt to create contemporary environments that support the changing ways people work.

Collaborative Spaces

Invite Spontaneous Collaboration. A culture that fosters collaboration helps people work efficiently, perform their best, and stay engaged. We help create settings that invite social interaction, casual meetings, and group work.

Architectural Interiors

Encourage collaboration and the exchange of ideas in an architecturally discreet space with a superior level of acoustic privacy, all while maintaining the flexibility to adapt as your workplace needs evolve.

Control Rooms

Display mounting solutions to help operators focus on the job at hand. Create a monitor array that is best for your team with a system that will continue to meet your evolving needs. Choose the monitor configuration that suits your team with ultimate flexibility.

Lockers

Strategically dedicating limited resources to help employees do their best work is key for organizational success. Flexible storage solutions improve workplace culture, design, and efficiency, while supporting the diverse and dynamic ways people work.

Training Spaces

Flip tables allow users to quickly turn an open area into a classroom style setting for training and learning. In turn the tables can be flipped and nested to instantly repurpose the room. Create safe testing, training and learning environments by incorporating acrylic screens to allow visibility.
